

POLICY ON SCHOOL CANTEEN

RATIONALE

The school operates a canteen providing a service to students and staff. While the canteen is expected to trade profitably each year it is recognised that it is the Board's policy to provide healthy, nutritious and reasonably priced food.

PURPOSES

- a. To ensure the food served meets recognised health and nutrition guidelines.
- b. To ensure that a variety of nutritious foods at reasonable prices is provided.

GUIDELINES

1. The canteen is operated by the school. The lease is payable to the school.
2. Healthy foods will be provided by the canteen.
3. The School will actively seek information that will ensure that the food served is nutritious, value for money and is hygienic.
4. The School will actively work to promote healthy and nutritious food as outlined in the Government recommendations.
